CURRICULUM VITAE

Samuel Gondwe

Website Developer | Graphic Designer

Degree Holder: Bachelor of Science in Computer Science

Address: Mzuzu, Malawi

Phone: +265 987 100 582 / +265 889 843 239

Email: *samuelgondwe741@gmail.com*

Professional Profile

I am a Computer science graduate from the University of Malawi with expertise in both website development and graphic design. Experienced in designing visually compelling marketing materials , creating responsive and user-friendly websites, and developing digital solutions that enhance brand identity and user experience. I am proficient in HTML, CSS, Javascript, WordPress, Adobe PhotoShop, Figma and other modern design and web technologies.

Currently serving as an ICT intern at Mzuzu University, providing technical support, and assisting with ICT operations. I am passionate about combining creativity with technology to deliver innovative designs and functional web solutions that solve real business challenges. I possess strong analytical, problem-solving, communication, and teamwork skills, committed to continuous professional growth and contributing to organisational success through creative design and technology.
